“GOODBYE TICK & FLEA GAME”

Merial is a world-leading animal health company which provides a comprehensive range of products to enhance the health, well-being and performance of a wide range of animals. The strength of Merial in parasite control and disease prevention is known around the world.

Merial developed the “Goodbye Ticks and Fleas” game to entertain responsible pet owners while educating them on the use of Frontline® products to effectively control and prevent tick and flea infestations. This game however, has some limitations which may not exactly demonstrate how Frontline® products work.

“Goodbye Ticks and Fleas” is free for downloading and was designed to be linked to Facebook for pet owners to share the fun and knowledge to members of their families, relatives and friends.

Say “Goodbye to Ticks and Fleas”, enjoy and let the game begin!
